Dedication

Mrs. Evelyn L. Martin

The class of 1985 respectfully dedicates our yearbook to Mrs. Evelyn L. Martin. For the past forty-two years Mrs. Martin has aided many students of previous classes, as she has aided the students of our class, with her patience and understanding of their needs. She has also devoted much of her personal time outside of school to insure the successful completion of the many administrative duties essential to the operation of the school. We sincerely thank her for all that she has done for the class of 1985.
